

2021 CLASS A GAS | FORTIS

FleetwoodRV

FORTIS

2021 CLASS A GAS

For our gas chassis, we take the Ford® drivetrain and create a solid platform to build on. The result is enhanced balance and control, as well as the strength to carry more weight. The design also allows for larger pass-through storage.

### Truss Style Platform Chassis

The Truss Style Platform puts strength, stability, and reliability front and center. Perfect for trips requiring large carrying capacities, and built to store everything you need with spacious pass-through storage, the Truss Style Platform is the ideal chassis for optimum balance and control — Found on Fleetwood Fortis gas motorhomes.

Every new adventure requires a solid foundation. The Truss Style Platform is designed with balance, control, a smooth ride, and ample space in mind, all working together to give you a ride like no other RV can provide.

Limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge.

Chassis Warranty provided by Ford®

## We build strength and quality from the inside out.

Fleetwood's exclusive Powerlock™ system is integrated into all Fleetwood RV Class A Gas models.\*

At Fleetwood, we don't settle for anything less than the best and neither should you. That is why every Fleetwood features industry-leading materials and construction standards.

- 1 PowerLock System™ Interlocking Walls & Ceiling**  
Fleetwood's interlocking aluminum extrusion wall-joint system integrates sidewall and roof assembly into one locked-together overall structure for long-term performance and durability.\*
- 2 Precision Welded Joints**  
The all aluminum hull structure is engineered and built to precise tolerances and then precision welded to ensure strength and durability on even the roughest road trip.

\*Powerlock™ is integrated into all Fleetwood Class A Gas models, with some exceptions to Fortis. See dealer for details.

## At Fleetwood RV, it's not just what you see that matters. It's what you don't.

- 3 Tuff-Coat Fiberglass Walls**  
Thicker than other manufacturers, our Tuff-Coat fiberglass walls provide a durable skin and is the perfect surface for an automotive style finish.
- 4 Thick Robust Floor**  
Thicker than the industry standard, Fleetwood engineered the floor for more sound deadening and more insulation which results in a quieter, more comfortable ride no matter the weather or terrain outside.
- 5 Solid Bead-Foam Insulation™**  
Fleetwood's above-standard insulation material and process doesn't allow settling or air gaps to form. There is no forcing the precision cut insulation into position like the roll-type pink fiberglass insulation used by other manufacturers.
- 6 Loctite® Industrial Adhesive**  
Engineered to meet bonding, sealing and assembly requirements for a durable structure with no de-lamination.
- 7 No Wood Substrate**  
Unlike most Class A motorhome manufacturers, you won't find any wood substrate on the exterior walls.
- 8 1/2" Plywood Subfloor**  
Thicker than most competitors who use OSB or chip board, the integrated 1/2" subfloor provides a solid surface for flooring and eliminates movement and flexing while traveling.

- 9 Vacu-Bond™ Construction**  
Fully sealed and weather-resistant, the vacuum-bonded assemblies combine materials and construction for a straight, solid integrated wall that is better suited to withstand the rigors of the road. An adhesive bonding process applies up to 415,000 pounds of vacuum pressure to the welded-aluminum sidewall frame, bead-foam insulation, thick Tuff-Coat fiberglass skin and inner wall materials, far exceeding industry standards.
- 10 CNC Precision Routed Walls and Floors**  
Computer driven routers precisely route walls and floors to fit exact specifications to eliminate gaps, misalignments and provide for a more solid integrated overall structure.

Each of these advantages have been engineered to deliver superior reliability, durability and most of all, customer satisfaction.

**THE NEWCOMER THAT'S TURNING HEADS.**

Fleetwood's newest model has made quite a splash in the industry. Awarded "Top RV Debut" (RV Business) and "Best of Show-New Unit" (RV News), Fortis is demonstrating its strength in the market. But now we've made it even better, with a brand new chassis that can handle up to 26,000 pounds, we've also included an 8,000-pound hitch. Those weight limits allow you to fill up your pass-through storage to your heart's content.

Heated mirrors with turn indicators and side cameras keep you safe while the standard 5.5kW generator, 100w solar panel and 2000w inverter make sure you always have power. Stay on trend with the latest style options, including white painted cabinetry, modern upholstery styles, a stainless steel farmhouse sink and countertop edge design.

Get inside Fortis and find out why this model is creating such a buzz. Floorplans available 32RW, 33HB, 34MB, 36DB.

FORTIS — OUTSTANDING STANDARDS AND OPTIONS

**RENEWABLE SAFE POWER**  
Each Fortis comes standard with a 100 watt solar panel.

**WiFi RANGER™ SKY4 DC**  
Boost a weak signal to get online in no time with this private secure WiFi booster.

**BONDED WINDSHIELD**  
Feel safer with this automotive style curved bonded windshield. This automotive inspired design bonds the windshield along the entire perimeter of the glass. This increases the structural strength and also reduces the risk of stress cracks.

**CREATIVE SPACE CONFIGURATION**  
Facing booth dinette with Dreameasy® dinette table and storage on all floorplans.

**KING EURO TOP MATTRESS**  
Sleep like royalty in this spacious 76" x 72" luxurious residential style bed with a euro top mattress. Shown 32RW Midtown decor with Heritage cabinetry. Includes 120V and USB ports by bed and reading lights overhead.

**AUTO GENERATOR START**  
Batteries need charging? A/C needs to kick on? This feature will automatically turn on your generator to give them some juice and then turn off when they have enough charge. This feature is conveniently found in the Precision Circuits touch panel.

**HIDE-A-LOFT™ DROP DOWN BED**  
Invite more guests on your road trip without compromising space with this queen bed, featuring industry-leading headroom and up to 600 lb capacity.

**EXTERIOR STORAGE (32RW, 33HB ONLY)**  
Additional above the belt line storage is standard on the 32RW, 33HB floorplans.

**EXTERIOR ENTERTAINMENT CENTER**  
Every Fortis is standard equipped with an exterior entertainment center with 50" LED TV for additional entertaining space.

**AUTO HYDRAULIC LEVELING SYSTEM (STANDARD)**  
Save time and avoid hassle by leveling and stabilizing your RV with the push of a button.

**CONFIDENCE BEHIND THE WHEEL**  
From behind the wheel you will feel the power and feel in total control with digital information gauges, cruise control, 6" color monitor for side and rear cameras, Sony® 9" stereo system with Bluetooth® connectivity, CarPlay®, and SiriusXM® ready along with a backup camera.

**BILSTEIN® STEERING STABILIZER SYSTEM (OPTIONAL)**  
A shock absorber system that dampens the bumps and vibrations of the road in the steering system. Allows for easier control to the front-end steering.

**WASHER/DRYER OPTIONS (UPGRADE)**  
All the amenities of home-sweet-home with washer and dryer options available. Choose from an all-in one combo unit or a stackable unit conveniently tucked away in the master bedroom.

**ALCOA® WHEELS (STANDARD)**  
Every Fortis is equipped with Alcoa wheels. Alcoa wheels are designed for increased load requirements. Not only do these wheels look good but they are made to last for the long haul with less maintenance.

### FORD® CHASSIS

Model: Ford®

Engine: 7.3L Triton V8

Transmission: Ford® 6-Speed, Automatic w/Overdrive

Alternator: 175 Amp

Torque: 468 lb.-ft. @ 3,000 RPM

Horsepower: 350HP @ 3,900 RPM

### DISCLAIMERS

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motorhome. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity.
  2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
  3. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motorhome with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.
  4. Length measured from front bumper to rear bumper (excludes accessories).
  5. Excludes safety equipment and awnings.
  6. Motorhomes feature a body width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
  7. Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.
- † The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

\* UVW and OCCC are found on the label containing the federal certification tag in each RV.

\*\*\* All 2021 REV Recreation Group motorhomes include a limited one year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and is fully transferable for the first 12 months.

### FLEETWOOD MOTORHOME ASSOCIATION

As a Fleetwood RV owner, you're invited to become a member of the Fleetwood Motorhome Association (FMA). Becoming a member is the perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Visit the FMA website at [www.fma4fun.org](http://www.fma4fun.org) to learn more and join the fun.

### CONTACT US

To locate a dealer near you, visit our website at [www.fleetwoodrv.com](http://www.fleetwoodrv.com) or call 1-800-322-8216. We can also be contacted at Fleetwood RV Customer Relations, P.O. Box 1007, Decatur, IN 46733.

# Explore Your World Like Never Before

About REV Group, Inc.

REV Group® (REVG) is a leading designer, manufacturer, and distributor of specialty vehicles and related aftermarket parts and services. We serve a diversified customer base, primarily in the United States, through three segments: Fire & Emergency, Commercial, and Recreation. We provide customized vehicle solutions for applications, including essential needs for public services (ambulances, fire apparatus, school buses, and transit buses), commercial infrastructure (terminal trucks and industrial sweepers) and consumer leisure (recreational vehicles). Our diverse portfolio is made up of well-established principal vehicle brands, including many of the most recognizable names within their industry. Several of our brands pioneered their specialty vehicle product categories and date back more than 50 years. REV Group trades on the NYSE under the symbol REVG. Investors-REVG
